BACKGROUND

Clive is an accomplished voice artist and experienced audio producer. A former management consultant, he was attracted to recording narrative audio through encouragement by others, and having co-created a trial commercial radio venture. He has recently expanded his focus from audiobook production to include other long-form narrative (corporate explainer videos, documentaries, museum guides, e-learning, academic, medical and technical texts), although he is happy to consider any project. He is an ACX producer and trained in audio engineering as well as narration.

FEEDBACK

Clive has received praise from authors, publishers and listeners alike. He regularly reviews, seeks out, and acts on feedback.

Performed really well. A true professional.

- JP Orr, Voice Producer, The Showreel

A soothing voice and a delivery you can trust.

- Ian MacGregor, Radio Producer

I really love your voice. Your narration was simply awesome! Thank you!

- Eeva Lancaster, Audiobook Producer

Thank you for O America. You did a splendid job.

- Margy Bauman, Audiobook Producer

I just finished listening to the rest of the recordings, I find them to be very outstanding and very professionally done.

- Rabbi Jay Newcomb, Author

Thank you again for this and well done indeed! Top quality work achieved with great efficiency!

- James Ward, Author

PERFECTION! Couldn't find a single thing wrong and it sounded absolutely brilliant.

- Liz Wixley, Author

The narrator has the perfect voice for the story, soothing and easy to listen to.

- Listener Review, Audible

He did a great job in engaging the listener to be attentive to the retelling of a great story. My kids managed to sit there the whole time to listen and was thoroughly impressed with he story. Great job Clive.

- Listener Review, Audible

The narration was well done as usual, soothing and easy to listen to.

- Listener Review, Audible

This series is excellent and the narrator knows just how it needs to be delivered. Awesome content!

- Listener Review, Audible

The narrator, Clive Johnson, is wonderful. His warm, melodic voice is the perfect compliment to the mystical feeling this tale evokes.

- Listener Review, Audible

It simply was a very pleasant and entertaining listen.

- Listener Review, Audible

The narrator did a great job bringing it to life. I loved his accent.

- Listener Review, Audible

I enjoyed the narration and accent. I felt it was really well narrated and really like it when a single narrator uses different dialects for each character.

- Listener Review, Audible

The narrator was perfect for this book, With a smooth voice that is easy to listen to and seemed to fit the story perfectly. It added another layer of enjoyment to the story.

- Listener Review, Audible

Clive did a good job keeping it all together, which I imagine was a complicated task for him. He followed through on bringing the well developed characters to life really well.

- Listener Review, Audible

Clive Johnson did a job with enhancing the characters with his vocal assignments. He kept true to the story and their personalities.

- Listener Review, Audible

The narrator really fits the story and he keeps up well with the pacing. This isn't the first book he's narrated that I've listened to and his voice is always a pleasure.
